

### ***About us / Introduction:***

*The Két Puli Guesthouse was opened on September 9, 2021. It was our intention to create a guest house that would provide guests with comfort and tranquility. To this end, we have taken care during construction and equipment to ensure that these two criteria are met as far as possible. Our guest house can accommodate 4 people and we also welcome family pets. The large garden is suitable for children to play, for dogs to run, and for adults to relax and unwind. The house has a spacious living room, kitchen and bathroom on the ground floor. Upstairs - in an air space - are the sleeping places. One double bed and two single beds. On the upstairs terrace you can retreat to chat or watch the sunset. Within 1 km from the house: shop, post office, pharmacy, playground, Csabapark. The city center is 4 km away and can be reached by bike in 15 minutes. For those looking for active recreation, the running corridor / bike path is a 5-minute walk from the guest house. On this road you can go in one direction to Gyula and Póstelek, in another direction all the way to the city. There is also a live water canal for fishing and canoeing. The Gyula motorway is a 5-minute drive away, so you can reach Gyula in 15 minutes. There is of course TV and internet. Check out our gallery, where you will always find fresh pictures of the guest house. You can find up-to-date and current information under the menu item "current news / information".*
